For further information, contact your program coordinator.

Maximum of two subsidised programs:

You are eligible to commence a maximum of two subsidised programs at the same qualification level in your lifetime. This restriction applies whether or not you complete the program. For example, this means if you have already commenced two programs at the Certificate III level, you may only commence programs at the Certificate IV level (or above).

Student Enrolment Fees

Student Enrolment Fees

TAFE program fees vary depending on the program and the student's eligibility for government subsidised training.

Federation University may be able to offer an eligibility exemption in certain circumstances where students would not normally be eligible for government subsidised training.

Some programs may be free under the Victorian Government's Free TAFE for Priority Courses initiative.

A statement of fees will be provided prior to enrolment, showing the total estimated program fees.

TAFE enrolment fees can include tuition fees and material fees, as outlined below:

Tuition Fees

Charged for each enrolled unit of study, based on eligibility, government subsidies and/or concession:

- **Free TAFE:** As part of the Free TAFE for Priority Courses initiative, some programs will have no tuition fees (for eligible students). Material fees may still be payable. (*Free TAFE is subject to availability in 2022*)
- **Concession:** Students enrolling into a Certificate level program as a government subsidised student, who hold a valid concession card, may be eligible for a concession rate on their tuition fees (eligible concession students pay 20% of the standard tuition fee).
*Students should apply to Centrelink as soon as possible if they think they might be entitled to a Health Care Card.
- **Standard:** Standard (non-concession) tuition fees apply to students who are eligible for government funding but ineligible for concession. The Victorian Government subsidises a significant amount of the tuition fees.
- **Full Fee:** If a student is deemed ineligible for a government subsidised place they will enrol as a full fee paying student, which means the full cost will be charged for all enrolled hours.
*Eligibility exemptions may be available.

Aboriginal/Torres Strait Islander students pay 20% of the standard government subsidised tuition fee for approved training at any level, including Diploma level and above.

Material Fees

Material fees cover the cost of materials such as tools, uniforms, textbooks which are purchased by the University and provided to the student; excursion costs; and incidentals. Material fees will vary depending on the program being studied and are not applicable to all programs.

Some programs may require the student to purchase textbooks separately – this charge is in addition to the enrolment fees and is solely the student's responsibility.

Note: Material fees must be paid in full prior to materials being issued and evidence of payment may be required.

Concessions

A concession is available on tuition fees for any government subsidised student who holds one of the following cards and is enrolling in a Certificate I to IV program:

- Commonwealth Health Care Card
- Pensioner Concession Card
- Is a dependent spouse or dependent child of one of the above cardholders and is listed on the card
- Veteran's Gold Card (but not their dependents)

To be eligible for a concession on the tuition fee a copy of a current and valid concession card should accompany the enrolment form, otherwise the non-concession rate will be charged. Note: Concession rates do not apply if fees are being fully paid by a Commonwealth Government Agency or as part of a Commonwealth program or initiative.

Students can enter their current concession card details in their online application and provide a physical copy to Student HQ. The University will allow a grace period of up to 28 days to enable the student to present a valid concession card, dated on or before the commencement of training.

Note: A student will be required to provide a copy of their current concession card for any additional course/unit enrolment or new program enrolment. The university will not apply concession to an existing enrolment if the relevant evidence is not supplied within the stipulated time frames.

Centrelink Digital Wallet Concession – where a concession card is presented via a Digital Wallet through a Centrelink Express mobile application the university staff member must sight and authenticate the card viewing the card directly through the Centrelink Express Plus mobile application on their mobile device. Digital Wallet evidence will not be accepted via a screen shot of the card if it is emailed or otherwise produced.

The concession does not apply if the student's fees are:

- being fully paid by a Commonwealth Government Funded Agency
- part of a Commonwealth program or initiative

Concessions do not apply for programs at the Diploma, Advanced Diploma, Vocational Graduate Certificate and Vocational Graduate Diploma level.

Note: All students should be aware that accessing their Victorian Training Guarantee (Government Subsidised Funding) entitlement may impact access to further subsidised training. Please go to the following website for further information: www.education.vic.gov.au

Fee Payment

It is University policy that fees must be paid by the invoice due date. Students who enrol online can pay by credit card via mySC self-service at the time of enrolment confirmation. Students who don't pay up front will be invoiced and will have strictly 14 days to make payment, unless they are approved for a TAFE payment plan (excluding Diploma/Advanced Diploma tuition fees which are due by the census date for each enrolled unit). Students will be able to access deposit slips and invoices via the online student management system.

Acceptable Payment Methods

- **MySC credit card self service** – Mastercard, Visa, Amex
- **Fee Sponsorship**
(Fee Sponsor Agreement Form must be completed and returned to studentfees@federation.edu.au)
- **POST Billpay**
- **BPay**
- **In person** at the below Student HQ offices. Payment via cheque, EFTPOS and credit card only:
 - > Mt Helen, Building D, Ground Floor
 - > SMB, Building D, Ground Floor

TAFE Payment Plans

Students enrolling into a Certificate I-IV program who are unable to pay their fees in full by the invoice due date can apply for a TAFE Payment Plan for both their tuition and material fees.

Students enrolled in Diploma or Advanced Diploma programs can only apply for a TAFE Payment Plan for their material fee component.

Fee Sponsorship

If fees are to be paid by a sponsor (i.e., employer or agent), a Fee Sponsor Agreement Form must be completed and returned to studentfees@federation.edu.au. Charges will remain on the student account until the form has been received and processed.

If a sponsor fails to make payment of the enrolment fees prior to the due date the tuition charges will revert to the student's financial account as outlined in terms and conditions of the agreement.

VET Student Loans

The VET Student Loans program is an Australian Government loan program for the Vocational Education and Training (VET) sector that helps eligible students, enrolled in approved courses at Diploma or Advanced Diploma level, pay their tuition fees.

- VET Student Loan assists eligible students to pay all or part of their VET tuition fees for eligible programs.
- Eligible students will be entitled for loans up to a capped amount. If the cost of the program exceeds the cap, students will be required to pay the difference.
- Additional costs such as material fees cannot be deferred via a VET Student Loan
- Students undertaking a program on a full fee basis may also be eligible to access a VET Student Loan, but will incur a 20% loan fee
- A VET Student Loan debt is repaid through the Australian taxation system once the minimum income threshold level of repayment is reached.
- Only available to students who meet the government's predetermined eligibility and citizenship requirements.

To apply for VET Student Loan students must complete the 'Request for VET Student Loan assistance' form through the Government's electronic Commonwealth Assistance Form (eCAF) system and provide their Tax File Number prior to the first census date.

Census dates are predetermined and students will not incur VET Student Loan liability until after the census date. Census dates are printed on the confirmation of enrolment and published on Federation University's website.

Further information on VET Student Loans and eligibility is available at:

www.dese.gov.au/vet-student-loans

www.myskills.gov.au

Fee Refunds (Eligible and Non Eligible Students)

Certificate I to IV Programs

To be eligible for a tuition fee refund a student must formally withdraw from their program prior to, or up to, 4 weeks after the program commencement date. Material fees will be refunded at the discretion of the program area.

To withdraw from their program a student must either complete and sign the withdrawal form, which is available from the teacher or program coordinator, or advise of their intention to withdraw in writing.

VET Student Loan Registered Programs

(including programs eligible for VET Student Loans)

For all VET Student Loan eligible programs a full refund or credit of tuition fees will be made if the withdrawal application is submitted on, or prior to, the census date(s) for the applicable unit(s) of study. Material fees will be refunded at the discretion of the program area.

If a signed withdrawal form or written intention to withdraw is not submitted prior to the census date(s), a student will not be eligible for a refund or an adjustment to their VET Student Loan debt.

Further information can be found at the VET refunds page on the website: <https://federation.edu.au/current-students/essential-info/fees-and-charges/tafe/fees-charges-and-eligibility/vet-refunds>

If a program (at any level) is cancelled by Federation University Australia before a student completes the requirements a full refund will apply.

Non Payment of Fees

Students who fail to make payment by the due date will have restrictions placed on their account preventing access to results, transcripts, graduation, re-enrolment, and certain University services. Students are encouraged to apply for a TAFE payment plan if unable to make payment by the due date. Outstanding fees remain on a student's record indefinitely and will impact future enrolment and access to grades for any completed units.

Students can view their current charges or access Tax Invoice/Statements from their mySC account. Any questions relating to fees and charges should be directed to studentfees@federation.edu.au

Competency Based Training and Assessment

Most VET courses are delivered according to Competency Based training and assessment principles. VET courses help you gain skills and knowledge that are required aspects of the work performance for your industry. Competency standards set out the skills, knowledge and attitudes required to operate effectively in employment. This includes the ability to perform individual tasks, to manage and respond to contingencies or breakdowns, and deal with the responsibilities of the workplace. As a student you will be assessed against the competency standards set for your course.

Credit Transfer and Recognition of Prior Learning

As a VET student you are able to gain recognition for your existing skills and knowledge no matter where, or how, these were acquired. There are two ways that you can gain this recognition at Federation TAFE:

1. Credit Transfer

Credit Transfer is granted where evidence is provided to show that the same unit of competency has been successfully passed at the University or another Registered Training Organisation (RTO). Under the principles of mutual recognition the University accepts Australian Qualification Framework Qualifications and Statement of Attainments issued by other RTO's. Credit will be given in units of competency for which an original, official Certificate or Statement of Attainment is provided.

2. Recognition of Prior Learning (RPL)

RPL is the formal acknowledgment of skills, knowledge and competencies, regardless of how and where the learning occurred. It is the process of matching current skills and knowledge against competencies learnt in the workplace, through voluntary work, social or domestic activities, or formal or informal studies is relevant to your course you may gain recognition or RPL for these units.

Please note a charge applies to all RPL enrolments.

If you believe you are eligible for RPL or Credit Transfer you need to discuss this with your School before the commencement of teaching.

For more information on RPL go to:

http://policy.federation.edu.au/learning_and_teaching/assessment/recognition_of_prior_learning_tafe/ch02.php

Unique Student Identifier (USI)

The Unique Student Identifier (USI) is a randomly generated code that is available online from the Australian Government. The code will stay with you for life and be recorded with the nationally recognised VET program that is undertaken from 2015 onwards.

You must provide your USI before you can be enrolled.

If you do not have a USI you can visit www.usi.gov.au to create one; or let the Federation University School Officer who is assisting you with your enrolment know that you do not have a USI.

Apprenticeship and Traineeship

A number of acronyms have been used and below is a list of the most common:

Fed	Federation University Australia
RTO	Registered Training Organisation
AA	Australian Apprentice
WBD	Workplace Based Delivery
AASN	Australian Apprenticeship Support Network
ASBA	Australian School Based Apprentice
VASS	Victorian Assessment Software System
AFO	Apprenticeship Field Officer
CBC	Competency Based Completion

The University is proud to be chosen as your partner in training. We know that your apprenticeship or traineeship is the first step in what will be a very rewarding career, we understand how important this is and will provide you with the support and training to ensure that your experiences at Federation TAFE are of the highest quality.

The following information is designed to help you to better understand the role of each party in your apprenticeship or traineeship.

As we have entered into a new era of training with the introduction of Competency Based Training and Assessment, we have outlined how this new system works and how it will benefit you.

Please read carefully and ask us if you need help in understanding its contents. It will help you get the most out of your learning environment and may enable you to complete your apprenticeship or traineeship in a shorter time frame.

We look forward to working together to help you to achieve your goals, and will also encourage you to strive for recognition through internal and external awards programs and competitions.

The Training Plan

Every apprentice and trainee at Federation TAFE will be required to negotiate a Training Plan. This working document is the roadmap to your qualification and lists everything that you will need to achieve to gain your qualification.

The University will conduct a Pre Training review with the apprentice and employer so that we can understand the individual's needs and design the training plan accordingly. In line with Competency Based Completion requirements your Federation TAFE Training Plan will be used to confirm competency at each stage of your apprenticeship or traineeship, at times you and your employer will be asked to confirm sections of this Plan with either a signature or electronic confirmation.

About your training plan

Your training plan will outline how and where your training will occur, this may be on campus, on your worksite or even online. Your plan can be altered at any time if it no longer is a reflection of your job role or qualification, we can adjust the units to create a better fit or negotiate different ways of assessing you.

The apprentice, employer and in the case of School Based Apprentices the secondary school will receive a copy of the Training Plan.

It is important that you retain this copy as it is a valuable resource for your apprenticeship or traineeship. A copy of your Training Plan may be requested by your Australian Apprenticeship Support Network provider if you or your employer is claiming financial incentives.

For more information on incentive payments, please contact Skilling Australia or contact the Apprenticeship Incentive General Information Service on 13 38 73.

What does competence mean?

Competence is when you can prove to both your supervisor and Federation TAFE assessor that you can perform all the tasks in your Unit Outline independently. You must be able to perform these tasks safely and to industry standard.

You must also demonstrate an understanding of the underpinning knowledge required for your qualification.

What is the difference between training and assessment?

Training is where you learn, over a period of time, to be able to perform a task to a set standard. When you have performed this task several times in a safe manner and you understand the underpinning knowledge component of the task (planning, preparing, material types etc) you will be ready to be assessed.

Training (both in the workplace or at Federation TAFE) will take many forms such as the following:

- Your supervisor showing you how to do various tasks
- Your Federation TAFE assessor also assisting you in your training
- Learning by observing others working
- Completing the underpinning knowledge readings and tests (online or hardcopy)

Learning Materials

Unit outlines

There is a Unit Outline for each competency. These are available online or can be printed out – ask your assessor if you need them printed out.

All the Unit Outlines are similar in appearance and layout and ask you to do similar types of activities for each unit of competency.

Texts

There is also a list of suggested and compulsory resources. It is necessary for you to purchase those considered vital to your training.

On Line Questions and Tests

These questions/tests will help you understand some of the more important theory aspects of the tasks. You will need to be able to answer all these questions prior to the formal assessment. You can find the answers in one of many ways.

- Ask your supervisor
- Look it up in a reference book or search the internet
- Ask your assessor – they may direct you to another source
- Ask a colleague at work

Assessment

May take many forms:

- Completion of online tests and questions
- Video or camera evidence of tasks completed
- Employer/supervisor reports/verification
- On-site completion of tasks
- Off-site (Federation TAFE) completion of tasks

Your Federation TAFE assessor will either visit you at various pre-arranged times throughout the year to conduct assessments, or will have arranged for you to attend the University. If you believe you are ready to have the next unit assessed, you can arrange an earlier appointment. Details of how each unit of competency is to be assessed are listed on your training plan in Part III. All units are assessed in line with the employability skills which are:

Communication, Initiative and Enterprise, Learning, Planning and Organisation, Problem Solving, Self Management, Team Work and Technology.

Your Online training tools

ePortfolios

Every apprentice and trainee at Federation TAFE has the opportunity to have their own ePortfolio in Mahara. Mahara is a fully featured electronic portfolio, weblog, resume builder and social networking system, connecting users and creating online communities. Mahara provides you with the tools to set up a personal learning and development environment.

You can also utilise your ePortfolio to message individuals or groups, and can communicate with your teachers and trainers as well as classmates.

You can also utilise your ePortfolio to message individuals or groups, and can communicate with your teachers and trainers as well as classmates.

ePortfolios are a great way to keep a workplace log or journal and act as a great resource when applying for a job as you can show a collection of tasks and duties as well as your resume to prospective employers.

Moodle

Moodle is the official Learning Management System at the university. It contains resources and activities that are relevant to your courses.
